Islamabad, 16<sup>th</sup> January, 2025

**Subject:-** MINUTES OF MEETING REGARDING CLARIFICATIONS INTERPRETATION/AMENDMENTS IN THE CDA REGULATIONS FOR PRIVATE HOUSING SCHEMES/PROJECTS IN ICT, ISLAMABAD

It was observed that there are some confusions, difference of opinions in interpretation of the provisions and some amendments in the CDA Regulations for Private Housing Schemes/Projects in ICT, Islamabad. In order to make Clarifications, a meeting was held in the Office of Member (P&D), CDA, on Friday 16-12-2025 at 10:00 am. Following attended the meeting:

Sr. No.	Name	Designation
1.	Dr. Muhammad Khalid Hafiz	Member (P&D), CDA (In Chair)
2.	Dr. Zafar Iqbal Zafar	DG (Urban Planning)
3.	Mr. Faisal Naeem	DG (Building & Housing Control)
4.	Mr. Ijaz Ahmed Sheikh	Director Housing Societies
5.	Mr. Ejaz ul Hasan	Director Regional Planning

2. The meeting started with the name of Allah. Director Housing Societies briefed the participants regarding subject matter. Afterwards, following items were deliberated in length and decisions made:

**A. TRANSFER OF AMENITIES/PUBLIC BUILDING AREAS IN THE NAME OF CDA**

The **Planning Standards** for provisions of Amenities/Public Building Areas, Parks/ Open Spaces, Graveyard & Roads/Streets, in the Layout Plans of the Private Housing Schemes/Projects, had been as under:

Sr. No.	Period	Amenities/ Public Build Areas	Parks/Open Spaces	Graveyard	Roads/ Streets	Miscs/ Remarks
1.	23-12-1992 to 29-01-2020	Minimum 4% of Scheme Area	Minimum 8% of Scheme Area	Minimum 2% of Scheme Area	Minimum 26% of Scheme Area	All Land to be Transferred to CDA
2.	30-01-2020	Minimum 5% of Scheme Area	Minimum 10% of Scheme Area	Minimum 2% of Scheme Area	Minimum 23% of Scheme Area	All Land to be Transferred to CDA. However, in case of Amenities/ Public Build Areas, 1% of Scheme Area to be Transferred
3.	07-7-2023	Minimum 7% of Scheme Area	Minimum 10% of Scheme Area	Minimum 2% of Scheme Area	Minimum 23% of Scheme Area	All Land to be Transferred to CDA. However, in case of Amenities/ Public Build Areas, 50 % of such Areas i.e., 3.5% of Scheme Area to be Transferred

The Sponsors are of the view that during January-2022 to June-2023 they got their Amended, Revised, Extended Layout Plans Approved from CDA and in some cases, it was mentioned in their LOP Approval Letters, that they will Transfer 1% of the Amenities/Public Building Areas in the Name of CDA through Execution Deeds as provided in the Regulation with Specimen and subsequently through Mutation in the Revenue Record.

After detailed discussion, it was decided that the Transfer of Amenities/Public Building Areas (A&PBAs) to CDA will be as per the Regulations under the Provisions of which the Approvals of the respective Parts of LOPs were granted by CDA. In case of Amended, Revised, Extended Layout Plans Approvals, the Transfer of Amenities/Public Building Areas to CDA will be made proportionately to the respective Period of Regulations, as explained above. For example, if a LOP of 1,600 Kanals was approved during 1992 to 2020, total A&PBAs will be Transferred to CDA. Then, during 2021 to July-2023, LOP of same Scheme for 2,100 Kanals is approved, Transfer of A&PBAs of 1% of Scheme Area will be made to the extent of Additional 500 Kanals, only.

#### **B. CALCULATION OF GREEN BELTS IN THE RIGHT OF WAY (ROWs) AS PARKS/PLAYGROUNDS/OPEN SPACES, ETS.**

The provisions of Right of Ways (RoW) in the Master Plan are as under:

As per Para-935, Page-378/C, of Master Plan of Islamabad 1960, Report, titled "DOX-PA 88/32, Vol-2 of 2, the Right of Way (R.O.W) can only be rented for Vegetable Garden, Food Trees, etc. and in no case could buildings of any kind either Temporary or Permanent be Allowed in R.O.W, as under:

935. For all three cases, by "width of roads" is meant the "right-of-way". As the town grows and traffic increases, a certain width of road section will be implemented. The rest of the space of the right-of-way could be rented for vegetable gardens, fruit trees etc. It is understood that in no case could buildings of any kind, either temporary or permanent, be allowed in this area.

Para-6.1(L) of Interim Report on Review of Master Plan of Islamabad (2020-2040), prepared by the Federal Commission, approved by the Federal Cabinet, adopted by the CDA Board and notified vide S.R.O. 110(I)(2020), dated 11-02-2020, titled "Right of Way for Services, reads as under:

"Right of way of any road above and below ground can be used for Mass Transit System, Parking, Filling Stations, Pedestrian Under Passes and Overhead Covered Bridges can also be used for commercial use (convenience shop and markets) and advertisement".

The Sponsors, in general and especially in Zone-2 of ICT, are of the view to calculate the Green Belts in the Rights of Ways (RoW) of the Major Roads, Avenues and Khayaban, as the allocation of %age of, Parks, Playgrounds, Open Spaces, etc. to be provided within the Residential/Commercial Areas of the Scheme.

It was discussed and decided that the Green Belts in the Rights of Ways (RoW) of the Major Roads, Avenues and Khayaban cannot be calculated Parks, Playgrounds, Open Spaces, etc. to be provided within the Residential/Commercial Areas of the Scheme.

#### **C. APPLICABILITY OF REGULATIONS AT THE TIME OF GRANTING APPROVALS BY CDA**

It was observed that some cases were submitted for Approvals in CDA. During their processing, but before approval, the Amendments/Revisions in the Regulation were made by CDA. The Sponsors are of the view that such cases should be finalized and granted approvals under the provisions of Regulations, these were submitted and not under the Amended/Revised Regulations.

It was deliberated and decided that such cases of approvals will be finalized and Approved as per provisions of Regulations in vogue, on the date of approval.

**D. SHORTFALL OF AMENITIES/PUBLIC BUILDING AREAS (A&PBASs), DUE TO ILLEGAL CONVERSIONS OF SUCH AREA TO OTHER SALEABLE AREAS (RESIDENTIAL/COMMERCIAL, ETC)**

It has been observed that many of the Sponsors of Private Housing Schemes in Islamabad, have illegally converted the Amenity/Public Buildings Sites and Parks/Open Spaces, etc. into residential & commercial plots and allotted to general public. Thus, 3<sup>rd</sup> Party Rights have been created, being bonafide purchasers. The Sponsors knowing that these are Amenity/Public Buildings Sites and Parks/Open Spaces, etc. Converted, Allotted, Handed Over Possessions and Sanctioned the Building Plans (before 2018). The core reason of these illegal conversions & irregularities is the Absence of Building Control (approval of building plans of individual building) by CDA in Private Housing Schemes, till 2018. Unfortunately, CDA didn't exercise the Building Control till 2018. Thus, the Sponsors taking advantage of this Regulatory Flaw, took Free Hand and kept approving Building Plans, without Lawful Authority, which was subsequently terminated with the Intervention by the Honorable Islamabad High Court, Islamabad in 2017-18.

Presently, the CDA Regulations didn't permit the Compounding of Illegal Conversion of Amenity/Public Buildings Sites and Parks/Open Spaces, etc. into residential & Commercial Plots. Thus, Sponsors cannot be penalized for these irregularities. A series of meetings were held with the Sponsors/Stakeholders, CDA Enlisted Town Planners, CDA Counsels for Regulatory Intervention to cope with this long outstanding issue.

In interest of public at large, the following proposals were Agreed:

**3.** In interest of public at large, the following proposals are submitted for consideration and decision by the CDA Board:

- a. Directorate General (Building & Housing Control, CDA, shall neither approve the Building Plan, nor shall let the buildings constructed on the plots/sites of Amenities/Public Buildings, Parks/Open Spaces, Graveyards.
- b. The Sponsors may get back the Vacant Plots/Sites, form the Allottees/Transferees and restore these site as per Original Use. The Sponsors, who knowingly Converted Illegally, Allotted, Handedover Possessions and Sanctioned Buildings Plan, must compensate Allottees/Transferees.
- c. Where the buildings stand constructed on the plots/sites of Amenities/Public Buildings, Parks/Open Spaces, Graveyards, the Sponsors may get back the Buildings form the Allottees/Transferees and restore these site as per Original Use. The Sponsors must compensate Allottees/Transferees, as aforementioned at Sr. No. b, above.
- d. The Sponsors may be allowed to provide the Shortfall in the Amenities/Public Buildings, Parks/Open Spaces, Graveyards, Roads/Streets, etc. and Transfer to CDA, in the following manners:

Sr. No.	Landuse	Distance (Radius in KMs) from the Outer Line of the Scheme/Project
1.	Masajid, Schools, Community Centers, Clinics, Maternity Homes, Library, Transport Terminus, Post Office	within 3 Km
2.	Colleges, Hospitals, Theatres, Police Stations, Playing Fields, Art-Galleries Fire Stations, Clubs	within 5 Km
3.	Amusement Parks, University, Large Hospital	within 10 Km
4.	Graveyard	within 15 Km
The Alternate Sites/Plots shall be within ICT Limits, having Proper Access and Boundary Wall		

- e. If the sponsors do not opt to provide land as in Clause "d" above, then alternatively, the Sponsors shall Pay the Penalty for Shortfall in Amenities/Public Buildings, Parks/Open Spaces, Graveyards, Roads/Streets and Excess Saleable Area (i.e., residential/commercial)] as per the prevailing Rates Notified by FBR. The amount received by

CDA, will be utilized for provision of Public Facilities, and uplift of the project in the Vicinity of the relevant Scheme/Project.

- f. The Sponsors will provide the equal value of land in terms of cost, in the radius as proposed above, i.e., if the cost of shortfall land is 240 Kanals and its cost as per FBR Rates in the Scheme is 240 Million, the Sponsors will provide the land of 240 Million in the radius. If the cost of land is less than 240 Million, they will enhance the quantum of land which may be 290 or 320 Kanals. Minimum Width of Access/Approach Road to such Shortfall Areas, will not be less than as provided for the Housing Scheme, in the Regulations. Such Land & Access Road must be free of any encumbrances.
- g. The sponsor will develop the A&PBAs to be provided in radius, as proposed above, to be provided and will maintain as these are the part of the Original Scheme. The sponsors will develop and maintain such areas, themselves, or the CDA will do the same as Deposit Work, at the cost of Sponsors.
- h. The total size of Scheme will enhance after provision of the Short A&PBAs in the radius proposed above. The Landuse Analysis will be recalculated at the enhanced size of Scheme, i.e., if the Original Size of Approved Scheme is 1,600 Kanals and the Shortfall of A&PBAs is 240 Kanals, then after provision of 240 Kanals land in the proposed readouts, the enhanced size of Scheme will be 1,840 Kanals on which the Revised Landuse Analysis will be conducted.
- i. The Sponsors will pay the Penalty to CDA, as prescribed Rates, for Over & Above %ages of Permissible Landuse Allocations.

**The above Proposal (D) will be submitted in the CDA Board, for Amendment in the Regulations and subsequently to the Federal Government for Concurrence.**

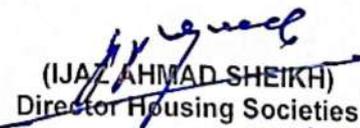

#### **E. EXEMPTION OF MORTGAGE OF PLOTS**

The Sponsors of the Schemes are of the view that that they may be granted exemption for the Mortgage of Plots with CDA proportionate to the Development of Scheme, they have already made at site without Mortgaging, as the Mortgage of the Plots is taken as Guarantee for Timely & Quality Development Works, as per the Approved LOP and Infrastructure Design and Specifications.

It was deliberated and decided that this may be Agreed subject to the following:

- a. Certification of Development Works Committee on the basis of Engineering Design and Specification approved by the Design Wing CDA or 3<sup>rd</sup> Party Vetted Designs, as provided in the Regulations.
- b. 3<sup>rd</sup> Party Vetted Certification of the Execution/Development at site, as provided in the Regulations.
- c. The Sponsors will pay the Penalty for Late Mortgage of Plots, as per the Regulations
- d. The Sponsors will pay the Penalty for Not Mortgaging the Plots, at prescribed Rates by the CDA

**The above Proposal (E) will be submitted in the CDA Board, for Amendment in the Regulations and subsequently to the Federal Government for Concurrence.**
